D. District Contracted Programs, Day Treatment and Residential Treatment Facilities

- Students in Day Treatment ('1') or in District Contracted Educational Programs ('7') outside of your district are Tuitioned Out to the district that hosts the treatment/program.
- Students (reg ed and sped) going into PMIC Residential Treatment ('2') are Tuitioned out to the district that hosts the treatment facility. This includes stays in Psychiatric Wards in hospitals
- Students going into non-PMIC residential treatment ('3') are transferred (if regular ed) or tuitioned (if special ed) to the district that hosts the treatment facility.
- The Service Provider Code is used only by the district that houses the program/facility.
- Service provider codes are not reported for supervised apartment living or community living facilities (e.g., Faith, Hope, Charity – Storm Lake, Hope Haven – Rock Valley)

Source: List of Day Treatment and Residential facilities are compiled from Licensed Substance Abuse / Gambling Programs (Department of Public Health, July 2015) and Agency List (Department of Human Services, April 2015), and consultation with Susan Walkup (determines whether there is an educational component). Providers not identified by these two agencies are deemed to be District Contracted Services.
